Mr. Mike Collins
Collins & Sons
Ottawa, ON.

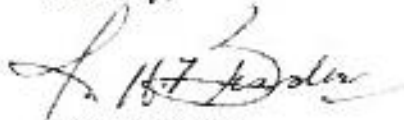

Dear Mr. Collins,

Just a short note to thank you and your two sons, Mike and Tom, for doing a super job of painting the entire interior of our home.

Heather and I are absolutely delighted with the results and are now basking in what feels and looks like a brand new home.

As such, we have no hesitation in recommending Collins & Sons when it comes to painting....in fact, we would be delighted to do so anytime you might care to pass this letter along.

Sincerely,

John H. Braden
