Dear Mike Collins

Just a short note.

Wanted to say how impressed I have been with the way you have painted my home.

You Mike, and your two sons, have been working daily painting the interior of my home from bedrooms to basement. It had been many years since the last painting; indeed It was time!

So this is just to say how professional you and your sons worked. The home looks beautiful. I am very impressed with your work and I will certainly recommend your services to others!

And compared to other estimates, I found your fees the least expensive.

Thank you Mike, and your sons, for the professional painting. Indeed, the home looks new again!

By all means you may use my name as a reference as to the quality of your work, and the promptness of the hours you promised to work and kept.

Best regards

Ken Vowles
